LEGISLATIVE COUNSEL'S DIGEST

SB 1472, as introduced, Ashburn. Public employment.

Existing law establishes a state civil service system that includes career executive assignments. Career executive assignments are appointments to a high administrative and policy influencing position within the state civil service in which the incumbent's primary responsibility is the managing of a major function or the rendering of management advice to top-level administrative authority.

This bill would expand the category of persons eligible for a career executive assignment to include those persons who previously had permanent status in the civil service.
